

## Personal Translator 2008 Advanced

### Sales arguments

- Intelligent features for an efficient high quality translation
- Integrated dictionary with up to 750'000 (German – English) entries
- Ideal for occasional business use and advanced texts
- Available in 7 separate language pairs

### Outstanding translation quality

- Unique **SmartTranslation™** technology for sophisticated translations
- SmartAnalyze™** for sound dealing with long and complicated sentences
- SmartCorrect™** for a translation free of typos and spelling errors, as in “nobdoy is perrfect”
- Neural Transfer** to help translate words with several meanings according to their context, i.e. is “fan” a supporter or a ventilator?

### Dictionary

- SmartLookup™** for quick access to the dictionary via MouseOver
- Direct link to **Wikipedia** for further research
- Reliable dictionary** with up to 750'000 entries per language pair
- Can be **extended** individually
